HILTON HEAD

Hannah Hilton loves sucking dick. "Just the feel of a hard cock in my mouth gets my juices flowing," Hannah explains. Her mammoth breasts spill over the top of her corset, and she tweaks her nipples as she speaks. "I can cum just from sucking dick! I don't even have to touch myself! Of course, I like doing that, too, or when a guy fingers me while I'm blowing him. 69 is my favorite number!" Ours too, Hannah!

ALEXIS TEXAS & JAMES DEEN

POOL OF CUM

It's not easy being a pool boy, even when you're hung like a horse and as handsome as a movie actor, like James Deen. The work is hard and sweaty, and you usually end up with sunburn, prune-like fingers, and the sting of chlorine in your eyes. But James is cleaning Alexis Texas's pool today, and she always appreciates extra service. He starts by servicing her juicy, pink slit, sucking her pulsing love nub until she cums on his scruffy face. Time for the lady of the house to polish the pool boy's pole! But James can't keep his hands off Alexis's amazing ass, and when she bends over and presents herself to him, he nearly pops off into the pool water. Get a grip on yourself, James, and slide inside that pussy! Most days, your job sucks. But today, your job sucked you!

Watch Me Take My Wife, PLEASE!

Depraved Tales of a Desperate Marriage In Sin City!

Story by PETER THOMPSON

Images Courtesy of *The Swinger 6, SweetSinner.com*

THE FIRST OF TWO MEMORABLE LIGHTS APPEARING THAT DAY LIT UP THE PARKING LOT BEFORE DAWN, AN OVER-STIMULATED MISCHIEF OF NERVES, RED EYES, AND FURRY TAIL. A SMALL PARCEL FLEEING A FUTURE OF CERTAIN IMMOLATION. "IS THAT RAT ON FIRE?" SAID NARCISSE, SMILING.

THE FERAL WHITE AND ORANGE FIREBALL SPRINTED AROUND THE PARKING LOT, APPARENTLY LOOKING FOR A PLACE TO HIDE WHILE, SIMULTANEOUSLY, ATTEMPTING TO EXTINGUISH ITSELF.

SEEKING PROTECTION IN A PUDDLE, THE RAT SHOWED THE ACCUMULATION OF INTELLIGENCE AFTER MILLIONS OF GENERATIONS. WITH ITS LAST SURGE OF ENERGY, IT BEGAN ROLLING AROUND IN THE LIQUID. TOO BAD IT WAS MOTOR OIL. ONE PRICKLY SPARK QUICKLY ENGULFED THE POOR THING. THERE WAS A DULL SHOCK AND BLUR OF COLORS AS THE CREATURE EVAPORATED INTO A GHOSTLY BALL OF SMOKE AND THE LIGHT DIED OUT. ALL MOVEMENT CEASED.

"BRILLIANT," SAID NARCISSE. "A BURNING FUCKING RAT." SHE BEGAN CLAPPING SLOWLY, FINISHING HER LITTLE VAUDEVILLIAN FLOURISH WITH IRONIC, THEATRICAL BLINKS. "YOU DONE SPOILED ME AGAIN, BIG DADDY."

I Love The Way You Hate Me

Four or five months ago I might've found Narcisse's droll observations and that smug, smarmy, tight-assed British insolence and matching accent charming—maybe even a little sexy. But waking up day after day in that cramped little motel room with no money and no hope had made us hate each other in a way that only people in love can hate.

The flaming rat was part of a war being waged by the local vermin against our motel's maintenance man, Xavier, a confirmed twerker who used a homemade flamethrower as pesticide of final resort. We heard his distinct laugh float up to the second floor.

He walked over to the smoking pile and stomped on it with his shiny black boot, good for another round of laughing. Could we be next? He began taking cell phone pictures of the mess that appeared on his Facebook wall and earned a quick like from Narcisse. She was online all day every day. I couldn't have a conversation with her without her checking her email. I signed her up for endless spam email newsletters and updates and she in turn hacked my email and sent family and friends pictures of my penis with notes attached, making it look as though I had sent them accidentally while pursuing my real true

interest, a sadistic sexual relationship with an albino little person.

At times our creative hatred for each other seemed to portend the ultimate: the only thing waiting around the corner for us was marriage. It seemed to be the only way we could properly inflict on each other a satisfactory amount of permanent damage: a monogamous union.

Narcisse was lying on the bed, a long thin shawl barely covering her naked body. I wanted to kiss the downy hairs near the dimples in her lower back. She spread out the filthy, cover-less duvet in front of her and continued writing filthy fan fiction while slyly fingering her slit.

She thought I didn't notice her flicking her bean, but I could smell it. I wanted to crawl on top of her, grab handfuls of those swollen pink titties and slide my cock between those round ass globes. She was a *primo* dick sock, but demonstrating the desire to fuck her would only risk permanently shifting the teeter of our relationship totter.

The second memorable light that morning appeared in my mind—a brilliant flash of an idea, a wandering comet crystallized and captured.

Like our lease, our corrosive existence was month to month, fueled by high-heat

desperation, depression, and occasional week-long binges of liquor, sleeping, and sex. And the occasional \$75 sent by her parents to subsidize her pricey toilet necessities, mainly her ride or die devotion to hand-spun wet wipes.

The sex, when we did give in, was sinister play-fucking in vacant lots and inside condemned buildings. Narcissa's sex fantasies were mostly being shackled, cumming hard, and screaming for help.

My idea of getting people to pay us to have sex in front of them wasn't personal fantasy—it was realistic necessity. Like all ideas involving a Craigslist ad and desperation left to soak overnight in the fertility of a depraved mind, I became a Chimera with the self-destructive moral instincts of an animal—essentially the same subhuman drive that propels moths into open flames and spurs horny southerners to the thresholds of their sister's bedrooms on cold nights.

The Newlywed Game

We advertised that we'd just gotten married at one of the local Vegas "suicide factories," or "chapels" as they're more commonly known, and because we were young and broke, we'd agree to do anything for money for a honeymoon—a cross between "GoFundMe" and "GoFuckMe". We'd agree to share our most intimate first night of marriage with you in your hotel room for a few hundred bucks if you'd agree not to touch us, spunk on us, or kill us.

"I'd be delighted getting two out of three," smirked Narcissa.

So, we began having sex in front of tourists. The mooks were supposed to sit there and watch us and jerk themselves off, so long as they didn't spray us with their mating marmalade. In theory, it was brilliant. In reality, we both felt the occasional ricochet or rebound of the occasional loud sometimes bridging distances you'd never think could be achieved.

Once near the end, before everything went to total shit, poor Narcissa got drenched by an out-of-control drunken rube who sidled right up to the bed and just squeezed his dirty load all over her back. I saw him coming, but he didn't warn her. She immediately jumped off my cock.

"Fucking punch him!" she screamed. First, she started throwing shit all over his room. Then she tossed his LCD TV into the wall like a Frisbee. We ended up running out of there and hiding for a few days before trying again. I swore to her I didn't see "the dirty load" coming, but she knew. After Narcissa had spent enough time soaking her body in bleach, she said she forgave me, but I knew better.

And like any dirty job, it quickly degraded into bitching and moaning. The commute wasn't bad, at least for me—from the shitter to the shower. Five minutes. Narcissa, however, insisted on taking half the day getting ready.

Just four or five of these live sex performances each week and we'd be able to pay the rent on time, eat regular meals, and enjoy the moral squalor around us with the rest of the human animals in our motel, the other vice aficionados, high-livers, street

whores, and pill dealers, who shared our post-dystopia, downtown Vegas nightmare.

The first night our ad went live on Craigslist we received almost 300 responses. About half of them were unsolicited dick pictures. Some guys imagined we'd be so impressed by their prick pics that we'd come and do our act for free.

Some guys sent threats. "I'm going to murder you and saw your cock off with a piece of dental floss and then stick it in her mouth."

Some guys just wanted to talk.

Others tried to dick with the price and some pleaded their desperate, hard-luck stories about how life had fucked them over and the world owed them because they lost their dog/leg/family/library card/truck/hearing.

For our very first show, we finally settled on an Aussie named David. He seemed the safest of all the candidates and he promised \$400 and agreed to throw in free taxi fare to his hotel.

David said he was in Vegas for a convention but didn't elaborate for fear we would be able to expose him to his wife and family later on. Fear was the best currency in this line of business—next to dollars, of course. The hope was that the customer would have a healthy fear of us that would match the fear we had of

eat on your own terms, with your own utensils.

As Narcissa soaked her delicious, lithe body in the tub, David the Aussie called us four different times to confirm. It made me feel that much more confident.

Narcissa made me promise that when we got the money from him that I would buy her a purple buttplug from the adult store down the street. I agreed, though I had already made arrangements with the urchin that lived next door to buy a huge bag of speed with the money. Something would give. For one, she'd go to sleep, buttplug or no.

The human male is a fickle creature and the biggest risk we faced was not a random act of violence, but a no-show do to pre-blow, meaning, while waiting 30 minutes for our arrival, most guys would whittle the time away with their pricks in their hands watching porn. The real danger was catching a guy right after he'd just finished and was completely disinterested for the next fifteen minutes or more. It was a risk. Narcissa didn't think it was a real risk, but I knew, from my own experience with whores.

"I'm sure that happens once in a while," I told her. I'd done it myself several times. Once in Ohio on a trip across the country, I called

We'd agree to share our most intimate first night of marriage with you in your hotel room for a few hundred bucks if you'd agree not to touch us, spunk on us, or kill us.

him. These forces would eventually cancel out and we'd get paid to fuck in front of people.

On the elevator ride up, David repeatedly told us he was happily married and that he didn't want to cheat on his wife and probably wouldn't even take his cock out while we fucked in front of him. "I'll probably just chill in the other room and watch ESPN," he told us. "I'm not some huge sex freak," he promised.

No worries, I told Narcissa. "If he tries anything, I've got a fork—a metal one."

I'd decided on a fork because a knife was technically illegal to conceal on your person, if we were to get caught. A fork, on the other hand, was just wise, especially in a buffet town like Las Vegas. A fork wasn't concealing. It was revealing—revealing your taste for all-you-can-

a whore to my motel. By the time she finally arrived it had been more than three hours and I was already tucked into bed. She banged on my door for 20 minutes before she finally gave up and went away. As soon as she left, I called her again. Suddenly, I was horny again.

We were headed to a local apartment and a guy named Geoff Beers. It was unusual for us to hook up with a local and we did it only because we were especially desperate that week. Craigslist was starting to knock our ads down after only being up for a few minutes. We were being blocked from putting new ads up. Assholes were flagging the fuck out of us.

In the cab ride over, I rolled down the window feeling the late winter wind. It was cool in my lungs and gave Narcissa's hot, long, sun-baked

KATSUNI & ANISSA KATE

EXOTIC ASS LESBOS

Anissa Kate is a European beauty, who, at the tender age of 19, was discovered in a swingers club by a casting director who saw the big breasted, all-natural beauty sucking off anonymous strangers. She has since conquered the world of porn, and today Anissa finds herself face-first in the lap of one of the most beautiful and exotic women to ever grace adult entertainment-Katsuni. "Lick my box, you horny bitch!" Katsuni screams, flooding Anissa's face with sticky girl-juice. Anissa laps it up obediently, fingering her own pussy to a frothy lather. This is getting good! Time to sit back, jerk off, and let these two exotic beauties get back to pleasing each other.

thighs goosebumps. I licked my fingertips and then slid my hand up under her short skirt.

Her hair was in braids and set back in a neat ponytail. She wore a plaid skirt and tight white blouse. She looked like an English private school student. Her accent seemed to thrill the cab driver. "You folks here on vacation?" he asked.

"Hardly," said Narcissa. "We have sex in front of tourists for money."

The cabbie hardly blinked. Las Vegas was full of people like us.

REC

Once, poor Narcissa got drenched by an out-of-control drunken rube who sidled right up to the bed and just squeezed his dirty load all over her back.

I nudged Narcissa, gave her a kiss that wouldn't mess up her lipstick and pushed my hand up her skirt some more, grabbing at her camel toe and lightly squeezing her pussy mound, asserting the kind of authority that made her wet as the chin of an old man eating soup. That was the key for me—think of things that weren't sexy so I could hold out longer than the customer.

The cabbie adjusted the mirror to line up better with the action and with Narcissa's cleavage. She looked good and smelled like a box that might hold something sentimental. I wanted to fuck her until she came but with the images I reeled through my mind, I kind of wasn't really horny.

She wore shiny black patent leather heels with red ribbon bows, all dressed up like she was a piece of merchandise, a sexual toy for sale.

Narcissa was a tall, 5'11", English doll with exotic features, half-Persian, half-African. Actually, if she were a blow-up doll, she'd be the pricey kind kept high behind the counter above the clerk, covered with loss-prevention RFID stickers. She'd be the kind of doll that you have to ask the clerk for help with. Her body was a curvy rail—she was a skinny pear with a muscled little belly, her mother's profound genetic assets expressing themselves almost entirely through Narcissa's generously proportioned butt—a perfect globe of thick, round muscle topped off with a smackable layer of baby fat. Her ass always

felt cool in my hand. Sometimes when we were in public she'd "accidentally" sit on my hand and then spend the next few minutes trying to get comfy, digging around on her seat, riding my knuckles like the chair was a well-saddled horse. By the time my arm had fallen asleep under the weight of her hearty, heart-shaped rump, she was grinding, nearly breaking all the bones in my hand.

Shy with a well-practiced leer like a lynx, she regarded the world through the burning theater of her soft green eyes, glinting with

of the closet and watch us on the bed. Huge mistake. As soon as he came inside, he began farting.

"Gastroparesis," he said, as if that explained it. "It takes a long time to digest my food. So it just sits in my gut and ferments," he said proudly, setting off a series of stink bombs that brought Narcissa to actual tears. She begged me to push a pillow into her face so she could breathe. I ate her pussy for a while and then slid inside her. She gasped. Geoff Beers' fart sounded like the actual air was tearing behind him. He jizzed in his hand and then wanted to use our bathroom.

"We're going to have to burn the towels," said Narcissa. "Maybe even the shower tiles." He took his time and warned us as he exited. "Your toilet is stopped up," he said.

"You stopped up our toilet?" asked Narcissa. "Not sure," he said. "I'm not a plumber."

It was hell. And to top it off, he'd passed us fake money. Narcissa didn't recognize it at first, as it wasn't her natural currency.

Suddenly, the cloud of permanently ruined air that had exited the butt of Geoff Beers came towards us. It was like a thundercloud made of stink. We opened the door and ran outside for air and watched him give us the finger as he pulled away in his shiny car.

I'd once gone to stand in line at the 24-hour walk-up window of the famous pawn shop where they filmed a reality show called *Fat Jackals*. Unsuccessfully, I tried to pawn Narcissa's flute, her father's watch, and a gold timepiece that had been given to my own grandfather after working 40 years for Great Lakes Carbon that turned out to be nothing more valuable than gold-colored metal.

Fucking assholes.

Welcome To Wally World

After a horrible screaming match, she packed her suitcase and we went to bed angry.

I remembered that night as we walked into the casino and searched for the elevator on our way up to "Wally's" room, Number 8110.

Squalor and adversity can be very freeing, even relaxing. So can vodka. I'd taken to drinking a shot or two before a performance so I didn't think too much and get caught up in my own OCD. Eventually, that shot or two had become half a bottle of vodka guzzled while Narcissa ran a quick pre-rinse in the shower.

Wally was in his late-60s, but already starting to wither down to his death weight. I reckoned I could break his skull with a single punch, though after hearing him speak, I feared he might have a titanium or even iron plate in his head. He seemed, at first, to be a garden-variety dipshit with too much money, who was in town for something to do with stock car racing. He was nonplussed to find out Narcissa's ethnic roots. Every guy asked that question eventually.

"So," they'd say. "What are you?"

"You mean my accent?" Narcissa would suggest, trying to deflect the question while knowing full well what was being inquired.

Once the preliminary conversation and accompanying DNA analysis was complete, it was time to take off our clothes and start fucking. We'd put on some music, dampen the lamps and switch the TV off. I agreed

acid-gold flakes made translucent in the sun. Her body was amazing. Her ass was packed tightly into that skirt as though she weren't so much "dressed" as she was factory packaged. Wherever we went, her ass arrived a second later than she did.

We needed the money. We needed to eat. We hadn't had a real meal since the pancake mix plus water she made us the morning before for Persian New Year.

Her long thighs making my mouth water, we were happy. Or maybe giddy is the more correct term. Smirking at each other because we were excited and we knew what we were up to and it made us both feel filthy. All I had to do was fuck her for a while until the mark had finished jerking off, splash her face, or finish down her throat, then count the money and run.

Beers Farts

The client, Geoff Beers, was into some weird shit. His wife came home early and the three of us all ended up back at our motel. The night was quickly falling apart. Beers wanted to stand outside of our motel window and jerk off while he peeped inside and watched us fuck.

As much as I didn't want to set the precedent of letting him inside our motel room, I knew that should he be caught jerking off outside our door, he'd be arrested and/or we'd be evicted. Either way, we weren't getting paid.

So, we allowed him to stand in the corner

beforehand with Wally that I'd fuck Narcissa from behind in doggy-style the whole time so he could watch my cock going in and out of her pussy. Then, when I was ready, I'd pull out and come all over her tits, per his request. I didn't like having rules in bed, let alone a fucking itinerary. So I started by eating her pussy. "Pull her cheeks apart," said Wally. "Heavens!" he said, before scavenging the room looking for the glasses that were on top of his head.

He started up again, this time moving a bit too close to our area. "Spread that ass. Oh, yes!" he said. "Open that tight virgin butthole and give it a nice long lick like it's an ice cream cone. Your first ice cream cone!"

He was quiet for a second while he jizzed in his fist.

"Oh, you like my butthole!" cooed Narcissa. "What kind of ice cream does my tight virgin butthole taste like?" she said, smiling.

Wally's face suddenly changed. "Shit," he said, pulling up his pants and flinging money at us. "Your ass tastes like shit you little terrorist!" he said, looking outright pissed. "Fucking damnit!" he said. "I could've blown that on blackjack and it would've lasted longer."

I picked up the money while Narcissa got dressed. She had just been called a terrorist by this guy and right now I feared for his life. As he searched his room for more cash and talked to himself about winning it all back his eyes locked on me. When he came at me, Narcissa pushed his old ass into the wall. Hard. He didn't get right up, just looked at us with a terrified wonder.

"You shouldn't use that word," I told him. "That word doesn't belong to you."

Narcissa looked at me with what I can only assume was as close to love as she was capable of mustering.

The next night, he called us asking for another performance at the same price—\$300 for a half hour show.

"I owe the girl an apology," he said.

I didn't tell Narcissa that he called. He was probably waiting there with a half dozen of his redneck friends, armed with bats for a beat down. It would've been ugly any way you looked at it. He emailed us death threats every day for the next week.

Penis Envy

The guy who called himself Ay-Rick (Erik) with the \$5,000 a night suite at the Palms couldn't have been more than 22-years-old. He rattled off a long list of sexual conquests, dropping names that I wasn't familiar with, but who Narcissa seemed to know of. He said it was all because he was in a band called Mucus Plug.

"We're here playing the Hard Rock," he said. "I'm used to lots of groupie sex."

Narcissa scanned his channels for a music station on TV that she liked: 1990s R&B, Jodeci, and Boyz 2 Men.

"Can you turn around for a second?" said Ay-Rick.

Narcissa followed the channel and complied. "No," said Ay-Rick. "Not you. I meant him." This was strange.

"I just want to take a look at your junk before it gets hard."

"I don't have VD," I said. "I'm not going to infect your fucking seeds."

He nodded his head. "I love watching cocks get hard," he said.

Instantly, I went completely soft.

"Do you consider yourself a grower or a shower?" he said, as though we were having a conversation about the fucking weather.

"My driver's license says I'm an organ donor," I said.

"Surprise me," he said, moving into the huge bathroom to get extra towels. "Just make sure you can get it up. I want to see that nice big cock of yours fucking your girl's hot pussy up close!"

From that point, I knew I was fucked. I'd never ever be able to get it up. I was fine with the idea that all eyes were on Narcissa and I was just there as a prop. But thinking that I was being watched closely and even scrutinized, no, I couldn't do it.

"We might have to return this guy's fucking money," I warned Narcissa.

The look she gave me was so filthy I felt sure I'd need a tetanus shot. Her eyes locked mine and she said, "No." There was concrete and steel in her "No."

"If I can fucking do it, you can fucking do it," she said. "So just fucking do it." Fuck.

going to fuck her, but I couldn't get hard. Not even close.

I wanted to rob this guy already and get the fuck out of this place. If possible, that was the only way this event wasn't going to do me permanent sexual damage. He waited 30 minutes before he even started playing with himself. Finally, he stood at the side of the bed and splooned in Narcissa's direction. Her pussy was worn out from being licked. I thought I felt a fucking blister on my tongue. I had made her cum more than 10 times.

Finally he came and put \$300 on the table next to the bed.

"It's okay," he said. "I've had the same problem. There's nothing worse than not being able to get it up. How old are you?"

"It's not that," I said.

Narcissa's pussy queefed like a cow mooing into a bullhorn.

We all laughed.

"I'm putting it all on the company expense account anyhow," he said. "I'm a rock and roll star," he said.

"Mucus Plug," said Narcissa. "You guys are the best."

He slipped the money to Narcissa while I got dressed and said some things meant just for her. Things that made her blush and giggle.

"You do have a really nice ass," he said.

"I mean it's fine if you can't do it," she said, grabbing my hand sweetly and holding it for a moment. Then she squeezed. "So just fucking do it," she repeated.

I tried everything. I got underneath Narcissa and lay her pussy on my mouth, moving her to hopefully cover up my limp dick on the other end of our 69. Ay-Rick then pulled his chair up so closely I could feel the warmth of his fucking breath as it bounced off Narcissa's money pocket. I kept spreading her ass and licking her asshole. I licked and licked and said filthy things to Narcissa about how hard I was

"Thanks," I said.

He laughed. I later found out that he had offered Narcissa \$1,000 to spend the night with him. She was considering it. I'd gone down that path before. There was no good ending, nothing at the end of that path that you wanted to see. We had made enough money to eat and buy her shampoo and insane ass wipes again.

From that point, I could already see exactly how everything was going to break when inevitably it all went to shit and fell apart.

And quickly...

A few years ago, it looked like Brett Rossi was living the life of a goddess, walking red carpets. But in truth, life as a goddess was a living hell. Brett has bounced back from that bad romance—in perfect health, we might add—and is back where she belongs, sharing her boner-popping beauty with the world. Brett Rossi is more than a model. She's a role model, a symbol of women's empowerment, a strong, powerful survivor who kept her grace and dignity throughout a horrible ordeal. Here's to you, Brett Rossi! We love your tits and ass!

RILEY STEELE

The Squad needs help getting into Arkham so they pay a visit to the Enchantress (Riley Steele) who has lost her powers, but not her hunger for cock. Boomerang (Seth Gamble) wakes the witch up by pulling out his cock and face-fucking her. Riley handles Seth's dick nicely, then they move quickly to get her bent over so he can fuck her from behind. As Riley is getting railed we're treated to some really good leg shots as she rides in reverse cowgirl and later in spoon. They fuck hard in spoon and then he stands up to unload in her open mouth.

ANNA BELL PEAKS, KATY KISS

Anna Bell Peaks (Killer Frost) and Katy Kiss (Poison Ivy) get off Owen Grey (The Riddler) in his cell. Riddle us this, Boner Boy! His blowjob begins through the bars, but it really heats up inside his cell when the two horny women devour his monster

cock. Riddle us that, Spew Fiend! The off-and-on riddle play is quite creative and fun. More oral play follows as Katy eats and finger fucks Anna Bell's sweet spot while Owen sucks Katy's snatch, then switches to doggie-style sex. Anna Bell's dirty talk is really hot and entertaining. The

two then ride him with Katy humping his dick and Anna Bell sitting on his face. More cockriding occurs when Anna Bell switches and begins riding Owen's tool. The continuous back and forth is really thrilling. Owen ends this ordeal by jacking off on their faces.

KLEIO VALENTIEN

When Batman (Charles Dera) shows up to foil an escape plan, we get a super hot threesome with really amazing comic book fantasy appeal. The Dark Knight and his arch enemy the Joker

(Tommy Pistol) square off to get Harley Quinn (Kleio Valentien) off. She gets down and sucks both cocks at once. Then they stand her up and Batman takes the first shot at her pussy. With more holes to try, they get into spoon

so that Batman can ram Harley's ass. While there's no DP for Harley, both arch enemies agree that Kleio can take a pipe better than anyone in Gotham. Kleio takes two big sticky loads on her face for a perfect end to this porn parody.

HIGH SOCIETY'S

BAD GIRL CONFESSIONS

STARRING

TASHA REIGN

PORN VALLEY, CA—TASHA REIGN IS OFTEN CONSIDERED ONE OF THE BRAINIEST GIRLS IN THE BUSINESS. SHE'S A GRADUATE FROM UCLA, IS FREQUENTLY ASKED TO SPEAK ON COLLEGE CAMPUSES, AND IS USUALLY AT THE FOREFRONT WHEN THE MAINSTREAM MEDIA NEEDS A "PORN SPOKESMAN." YOU CAN ASK HER ANYTHING AND GET AN INTELLIGENT RESPONSE. WE THINK ONE OF THE SMARTEST DECISIONS SHE'S EVER MADE WAS DECIDING TO HAVE SEX IN FRONT OF THE CAMERA—LOTS OF HOT SEX. TASHA MAY LIKE TO HIT THE BOOKS, BUT SHE ALSO LOVES TO TAKE THE COCK. WE ADMIRE HER BRAIN BUT WE ALSO LOVE JERKING IT TO HER SCENES. YOU CAN SAY SHE REALLY IS A SUMMA "CUM" LAUDE EXPERT, WITH HIGHEST HONORS!

HIGH SOCIETY: Have you ever used sex to get out of trouble?

TASHA REIGN: I have not, not that I can recall—maybe with my significant other—to distract him! Like I forgot to do some task and instead gave him a blowjob.

HS: Ever gotten a speeding ticket?
How

fast
were
you going?

TR: Yes, many times—90mph was the fastest I think.

HS: Ever been arrested?

TR: Why... Yes! Yes, yes, yes. I have little respect for authority figures, so I often forget to pay registrations, etc. Oops.

HS: Ever have sex in your parent's house while they were there?

TR: Yes, all the time in high school and college. Where else would I go when visiting my hometown?

ALL PHOTOS COURTESY OF DIGITAL PLAYGROUND, ELEGANT ANGEL, EVIL ANGEL, MILE HIGH MEDIA, NEW SENSATIONS, SMASH PICTURES, VIVID, ZERO TOLERANCE

HS: Have you ever been caught having sex?

TR: I have been caught and I was more annoyed that I had to stop mid-act, not embarrassed.

HS: Have you ever had a one-night stand?

TR: I have had a few one-night stands. One recent one was on a vacation and I just looked at a dude in the bar and told him to meet me in Room 310. I was horny.

HS: Ever had threesomes, group sex, or involved in an orgy in your personal life?

TR: I have had a threesome or two in my personal life. I enjoy them very much and find it fun if the guy is casually involved in both of us, but not too seriously. I once did it with my roommate and our mutual friend after hours, after the club. In a pool. Epic.

HS: Do you have any tattoos?

TR: No, not yet! I want one that says, "BE."

HS: Ever been caught cheating at school?

TR: Yes, on a math test. I got tutored, not punished.

HS: Ever cheated on a significant other?

TR: Yes. He wasn't paying attention to me and I was in college . . . bad combo.

HS: What makes you really angry.

TR: The uneducated generalization people in the media and society-at-large have about women sex workers.

HS: What's the naughtiest thing you've ever done sexually?

TR: I think getting DP'ed on camera is pretty naughty.

HS: Ever masturbated in public?

TR: I do in my car regularly.

HS: Ever have sex with someone you couldn't remember having sex with?

TR: No, I don't like that vibe. I want to remember and be conscious of all my sexual encounters. However, in porn I do forget faces often.

HS: Can you describe a funny situation that happened to you or someone else on a porn set?

TR: I ate an edible chocolate bar (weed)-induced. I then got into a paranoid crazy state of distress that no one could get me out of. I looked nuts during the whole girl/girl shoot. No one understood what was wrong with me.

HS: Do you date bad boys?

TR: I like tall men who are confident and yes sometimes "bad". I consider myself a rebel so I like that quality in someone, but also dorky—an anomaly, if you will.

HS: What's your drink of choice?

TR: Fireball.

HS: Have you ever done something sexual, willingly, you regretted afterwards.

TR: Once again, regret is not my word choice, but I have sent selfies that later I thought, "Hey, you shouldn't do that." That also goes for one-night stands, and other sexual acts. I learn from my experiences.

HS: Anything you'd like to say in closing to our readers?

TR: Become my reigndeer by joining my personal site, www.tashareign.com

KIRSTEN PRICE

THE PRICE IS RIGHT!

Kirsten Price is an adult film superstar who has starred in dozens of big-budget features for Wicked Pictures. Kirsten has some of the best acting chops in the business. But what really sets Kirsten apart, are her skills in the bedroom. "Fucking and sucking never gets old. I still have the same libido I did as teenager...probably stronger, because now I know what I like in bed, and I'm not afraid to ask for it," Kirsten says, licking her lips. "I still get off when I feel that first blast of jizz hit the back of my throat!"
